WEDDINGS

A STYLISH WATERSIDE BARN

Welcome to

A STYLISH WATERSIDE BARN
JUST HALF AN HOUR FROM LONDON

Coltsford Mill offers the best of a classic country barn wedding with an elegant contemporary finish, bathed in natural light and panoramic views of 12 acres of beautiful countryside with 2 stunning lakes and flowing cascades fed by the river Eden

The dedicated family run team at Coltsford Mill offer the highest standard in bespoke weddings in this unique venue. Our highly experienced Head Chef offers an exquisite fine dining experience for your guests. Both our events and catering team are on hand throughout your planning to create the perfect day.

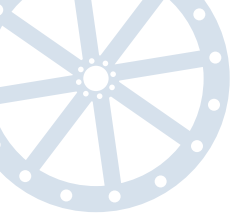

Pre Wedding Preparation BRIDAL COTTAGE

The Bridal Cottage is your home-from-home on the day and evening of your wedding and provides overnight accommodation for the newlyweds. The spacious country cottage has a lounge, kitchen and master bedroom with en-suite Shower room. Plenty of space for your bridal party to relax and enjoy the morning before your ceremony. Upstairs under the eaves, there is a large dressing room for your make up artist and hairdresser to prepare you and your bridesmaids for your special day!

Your Perfect CEREMONY

The Mill Room is a unique setting for your Civil Ceremony or Partnership ceremony and is licensed for up to 95 guests. The original 17th Century Mill workings are illuminated behind glass, to create a stunning back drop for your exchange of vows. The seating layout enables some of your wedding guests to sit facing you during the ceremony if you should wish. For larger wedding parties our beautiful contemporary Watermill Barn is licensed for Civil Ceremonies and Partnerships and can comfortably accommodate up to 150 guests. You may also wish to consider a bespoke, highly personalised Celebrant-led wedding ceremony or blessing. With no restrictions on licensed areas your ceremony can be held in both The Mill Room, Watermill Barn or outside in the beautiful landscaped gardens of Coltsford Mill.

“ We had the most amazing wedding here at Coltsford Mill.”

We had the most amazing wedding here at Coltsford Mill. Jo and all the staff are fantastic, they were on hand to help with any questions and requests we had throughout our wedding planning process and the service they provide on the wedding day itself is second to none.

The beautiful Watermill Barn was the perfect room for our wedding breakfast and partying after, along with the outside heated terrace area looking over the grounds and lake and the separate spacious bar area where we had our photobooth.

Food was delicious and we had so many wonderful compliments from our guests. We want to have our wedding day all over again!

Fiona Murphy

A Tailored WEDDING BREAKFAST

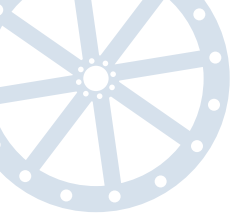

The Watermill Barn is a contemporary oak-framed barn that can seat up to 150 guests for dining and up to 200 guests for your evening reception. We offer a fantastic range of dining packages for your wedding breakfast and are also willing to create a bespoke menu to meet your individual needs, from BBQs to Afternoon Teas. Panoramic windows and doors overlook the tranquil gardens and cascades allowing natural light to flood in. Central heating, air-conditioning and an abundance of natural light make it the perfect venue for wedding receptions in any season. Your guests can enjoy your drinks reception on our fully covered terrace area overlooking the ornamental gardens and water features whilst your photographer captures all your memories throughout the day and evening.

Dancing in the MOONLIGHT

After your wedding breakfast, guests can enjoy the terrace overlooking the waterfall and cascades, sit and relax, or take advantage of our comfortable, modern, fully licensed bar area. The Watermill Barn is then prepared for your evening entertainment with a natural dance floor and a large space for your DJ or Live Band. The grounds surrounding the Watermill Barn are illuminated and through large patio doors the music drifts onto the terrace. Your wedding guests can celebrate and enjoy the delightful views across the Eden Valley. They may also sit within the twinkling lights of the gazebo, set adjacent to the bridge and waterfalls, giving an alfresco feel to the venue. Coltsford Mill is the perfect, romantic setting for the evening of your wedding day and is also available to hire for parties or anniversaries.

Endless Photographic OPPORTUNITIES

The Coltsford Mill Estate extends to 12 acres and features two lakes. This peaceful waterside landscape, with its many cascades and romantic bridges, is full of wonderful photographic opportunities. Whatever the season you are getting married in, we can assure you that Coltsford Mill will provide a stunning backdrop to your most treasured wedding album. Please take a look at our galleries online to see some of our most recent Weddings.

“ This venue is amazing and could not thank jo and all her team who made it such an amazing day.”

The venue and bridal cottage were set up beautifully and just the land around the venue is amazing to see. On the day jo and her team helped in every single way and were all happy and jolly to chat to.

If you had an request they were happy to get it seen to. Just wish we could all go back and do it again. Thank you again Coltsford Mill you made our wedding day amazing x
